2.126(b) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:30 a.m. on 09-NOV-16. During that time, the inspector knocked on the door of the house on the property. The inspector called the phone number on file and left a message asking for a return call to establish current optimal hours of availability. The inspector then waited 30 minutes in the driveway of the property before leaving. The licensee returned the phone call later in the evening and reaffirmed hours of availability.

Lack of availability for inspection prevents any oversight by APHIS Officials in enforcement of the Animal Welfare Act. Correct by establishing optimal hours for inspection with the home inspector, and ensuring that a responsible adult is available during those times for inspection. Correct from this time forward.
