Customer ID: **32992**

Certificate: **57-C-0220**

Site: 002

GEORGIA AQUARIUM INC

Type: ROUTINE INSPECTION

Date: 04-APR-2018

2.40(b)(2)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

"Aqe" & "Roxy" have been on a course of treatment with Clavamox starting on Sunday, April 1, 2018 to the present time. The Clavamox that is being administered to these 2 dolphins expired on 3/18.

The use of expired medications is considered adulterated and is not an appropriate method to treat or control diseases. Expired medications may be ineffective in treating disease or may turn toxic after the expiration date.

Expired medications cannot be given to any regulated mammal. Establish a system to ensure that expired medications are not given to any mammal in the future.

Correct immediately

This inspection and exit interview were conducted with the Curator Of Mammals
