### 2.1(b)(1)

#### Requirements and application

I was notified by the licensee via email that she had moved on Nov. 24th. I contacted her on a few occasions via phone, email and USPS to inform her that she needed to cancel this license and apply for a new license in the state in which she moved. I also provided a voluntary surrender form on multiple occasions. A licensee must notify the office no fewer than 90 days before a change in address occurs. Correct by 20 Jan. 2023.

### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:00pm on 12 Jan. 2023.
