### 2.126(c)

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

An inspection was attempted at the licensee's home site at 11:20 a.m. on 12/06/2018. The Inspector spoke with a family member at the home site who stated that the licensee was currently with their animals at an exhibition event in California. At time of this inspection, no current itinerary has been received by USDA-APHIS-Animal Care that accounts for this travel.

In the case of traveling exhibitors, itineraries must be submitted to USDA via fax, mail, or electronic mail at least two days prior to any overnight travel. The itinerary should contain complete and accurate information concerning the whereabouts of any animal intended for exhibition at any location other than the person's approved site.

To be corrected by submission of an itinerary for all future travel in which regulated activities will be conducted.

An exit briefing was conducted with a facility representative.
