Type: ATTEMPTED INSPECTION
Date: 30-JAN-2018

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 14:00hrs on 30-JAN-18. ***On Tuesday, January 30th 2018, between 14:00hrs and 14:30hrs, a responsible person was not available to conduct an inspection. Inspector attempted to contact licensee by (calling cell/home and leaving message, knocking on door, honking while in driveway). This is the first attempted inspection.

The licensee failed to have a responsible person available to conduct an animal welfare inspection. The facility was not able to be inspected for compliance with the Animal Welfare Act, regulations and standards to ensure the health and well-being of the animals. A responsible person must be available to accompany the inspector on an animal welfare inspection.

Correct from this day forward."

(Contacted licensee by phone at his work and he informed me he could not make it home to conduct an inspection),
(Left my card with e-mail address at the facility).
