Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 5:00pm-7:00pm on 8/19/2025. The inspector attempted to contact the licensee/registrant by ringing the doorbell. The inspector also called and left a message. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
