2.40(a)(1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The licensee does not have a current written program of veterinary care. The written program of veterinary care is out of date, has inaccurate information, and has not been reviewed for over a year.

The licensee and the attending veterinarian should review the program of veterinary care at least once a year. Failure to have a current program of veterinary care could have a negative impact on the health and well-being of the animals.

An updated version of the written program of veterinary care should be created and made available for inspection by 6/1/15.

AN exit interview was conducted with the licensee.
