Inspection Report

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The IACUC has not prepared reports regarding the facility's program review or the inspection of the animal facilities, for submission to the Institutional Official, within the last year. Reports to the IO must be reviewed and signed by a majority of the IACUC members and include any minority views. The last facility inspection was completed on May 7, 2018, however, a report of the evaluation was never submitted to the Institutional Official. The most recent report to the Institutional Official was submitted on November 17, 2017.

Every six months, upon completion of the program review and facility inspection, the IACUC must provide reports of its evaluations to the Institutional Official to ensure that they are aware of the current status of the animal program, facilities, and procedures.

After completing the review of the facility's program for humane care and use of animals and the inspection of the animal facilities, the IACUC must prepare reports of their evaluations and submit the reports to the Institutional Official.

Correct by June 1, 2019.

2.31(d)(5)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

The IACUC has not reviewed the seven active animal protocols within the last year. The last protocol reviews were documented in May of 2017.

The IACUC must conduct continuing reviews of the animal protocols, not less than annually, to ensure that the current activities allow for the proper care and use of animals.

The IACUC must perform reviews of the active protocols at least annually.

Correct by June 1, 2019.

No regulated animals were present during this inspection.

This inspection and exit interview were conducted with facility representatives.
