### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:00am on November 7, 2024. The inspector attempted to contact the licensee/registrant by calling the number listed, honking the horn and knocking on the kennel door.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.

This is the first attempted inspection.
