#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 1:00pm on October 31, 2024. The inspector attempted to contact the licensee by knocking on the door and calling the phone numbers on file for this licensee. The inspector waited approximately 30 minutes before leaving the facility. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
