

Inspection Report

Brukner Nature Center
5995 Horseshoe Bend Rd.
Troy, OH 45373

Customer ID: **2149**
Certificate: **31-C-0014**
Site: 001
BRUKNER NATURE CENTER

Type: RE-LICENSE INSPECTION
Date: 17-OCT-2023

3.127(d)

Facilities, outdoor.

The facility does not have a perimeter fence or a variance for the coyote. Although the facility has a written perimeter fence variance previously approved by the Administrator, this variance does not include coyote. Perimeter fences are required to provide secondary forms of containment in the event of an escape, restrict access of unauthorized people or animals, and to prevent physical contact between wild animals and exhibit animals. The applicant must ensure outdoor housing facilities containing wild or exotic mammals are enclosed within a properly constructed perimeter fence that is at least 6 feet tall and located at least 3-feet from any primary enclosure or secure written approval from the Administrator for all species that require a perimeter fence.

3.154

Environment enhancement to promote psychological well-being.

The facility does not have a written environmental enhancement plan for birds. A written plan is necessary to ensure that the overall health, well-being, and psychological needs of the birds are being appropriately met. The facility must develop, document, and follow a species-appropriate plan for environment enhancement adequate to promote the psychological well-being of birds. The plan must be approved by the attending veterinarian and must address social grouping, environmental enrichment, special considerations, restraint devices, and exemptions.

This is a 1st Re-License Inspection for a Class "C" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by December 16, 2023 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
