#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:40am on 9/4/2024. The inspector attempted to contact the registrant by knocking several times on the facility door, calling the provided contact number, leaving a voicemail, and sending an email to the contact on file. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
