Repeat

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process starting at 9:49 AM on 10-OCT-2023. The inspector first attempted to make contact at the facility starting at 9:49 am via phone call and text message to the licensee however there was no reply. A secondary facility contact was reached via phone however this individual resides in a different state and was not available for inspection. The facility representative stated that they did attempt to reach the licensee to notify them of our presence however they were also unsuccessful in reaching the licensee and were not aware of anyone available to facilitate the inspection. After waiting one hour, a final attempt was made to reach the licensee by phone call and text message however there was no reply. No persons were observed at the facility while waiting at the outer gate.
