Type: ROUTINE INSPECTION

Date: 04-APR-2024

2.126(a)(2)

Access and inspection of records and property; submission of itineraries.

All records required to be kept under the AWA standards could not be located at the time of the inspection. This includes the animal inventory, animal acquisition and disposition records, the contingency plan, the program of veterinary care and the bird enrichment plan. These records are essential for APHIS inspectors to complete a thorough review of the humane care of animals at the facility. Please have all records available for inspections of the facility.

Correct by: Correct from this time forward 4/4/2024.

This inspection and exit interview were conducted with a facility representative.
