ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The Program of Veterinary Care (PVC) is not documented as having been reviewed by the Attending Veterinarian (AV) since 8/27/2013. The PVC states that the AV will visit annually.

The regular facility visit by the AV along with a review of the written PVC is necessary to ensure that all aspects of routine animal health care are being addressed and that the PVC completely describes how they are addressed. Correct within 30 days, by 1/15/2016.

The inspection and exit briefing were conducted with a licensee.
