Miscellaneous.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:25am-11:55am on 11/04/2024. The inspector attempted to contact the registrant by knocking at the door of the facility, honking the car horn, and calling the phone numbers listed in the account. When called, no one answered and a voicemail was left. The attempted inspection leave-behind flyers from 10/21/2024 and 10/24/2024 were still attached to the main door of the facility.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
