Requirements and application

* The licensee currently has as part of her inventory of animals, seven foxes and a spider monkey. The license issued to this licensee does not authorize the use of exotic and wild canids or group 6 nonhuman primates. Authorized use of designated groups of animals promotes compliance with the Animal Welfare Act. The licensee must obtain a new license before using any animals beyond the types or numbers authorized under the existing license. To be corrected by not using the foxes and spider monkey for regulated activity by end of the day on 6 June 2023.

This inspection and exit interview were conducted with the licensee.
