

Inspection Report

The Dallas World Aquarium
1801 N Griffin St
Dallas, TX 75202

Customer ID: **6545**

Certificate: **74-C-0392**

Site: 001

The Dallas World Aquarium

Type: FOCUSED INSPECTION

Date: 26-OCT-2016

3.84(c)

CLEANING, SANITIZATION, HOUSEKEEPING, AND PEST CONTROL.

*The entry to the main kitchen used for storage and preparation of non-human primate food has a metal door frame on the interior side that is damaged, rusted and missing pieces at the bottom. The wooden entry doors are also damaged, missing paint and eroded at the bottom. Correct by: December 1, 2016.

*The tile wall under and behind the dishwasher was coated with a build-up of dark, sticky residue. The facility has a power washing schedule for this area. The schedule should be reviewed to ensure cleaning frequency is adequate. Correct by: November 4, 2016.

*Wall tiles were noted to be damaged and missing pieces in multiple areas of the kitchen. Correct by: December 1, 2016.

All buildings must be kept clean and in good repair. Food storage and preparation areas should be maintained to facilitate sanitation and cleaning of surfaces so that opportunity for bacterial contamination and vermin attraction is minimized.

3.107(c)

SANITATION.

*The entry to the main kitchen used for storage and preparation of manatee food has a metal door frame on the interior side that is damaged, rusted and missing pieces at the bottom. The wooden entry doors are also damaged, missing paint and eroded at the bottom. Correct by: December 1, 2016.

*The tile wall under and behind the dishwasher was coated with a build-up of dark, sticky residue. The facility has a power washing schedule for this area. The schedule should be reviewed to ensure the cleaning frequency is adequate. Correct by: November 4, 2016.

*Wall tiles were noted to be damaged and missing pieces in multiple areas of the kitchen. Correct by: December 1, 2016.
