2.31(c)(3)

Institutional Animal Care and Use Committee (IACUC).

The reports for the semiannual reviews of the animal use program and facilities conducted in April 2023 and October 2022 were not signed by a majority of the IACUC members. In order to ensure the committee has the opportunity to review the report and ensure minority views are represented, the report must be signed by a majority of the IACUC members. Research registrants shall have the semiannual reports be reviewed and signed by a majority of the IACUC members and must include any minority views.

Correct from this date forward of 23 August 2023.

This inspection and exit interview were conducted with facility representatives.
