2.126(a)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

Records were not available for examination at the time of inspection. Specifically:

Program of Veterinary Care, while premise visits by the veterinarian were documented with a recent visit, the written program of veterinary care was not available. The Program of Veterinary Care form was provided via email to the licensee.

Acquisition and disposition records are not maintained with all the required information under 2.75 b.

A system of recordkeeping must be in place and maintained to allow the inspectors to examine all the required records.

Correction date 10 September, 2015

3.125(a)

FACILITIES, GENERAL.

In the goat pen, there is wire mesh dividing fence that the goats have pushed through and bent. The places where they have created holes have resulted in some sharp edges and areas that are no longer structurally sound or in good repair. The outdoor housing facilities shall be structurally sound and shall be maintained in good repair.
