### 3.11(c)

#### **CLEANING, SANITIZATION, HOUSEKEEPING, AND PEST CONTROL.**

The outdoor enclosures provided for the dogs had an accumulation of weeds in and around the enclosures.

These weeds can harbor pests and increase the likelihood of diseases or other health problems for the dogs.

Weeds, grasses, and bushes must be controlled so as to facilitate cleaning of the premises and pest control and to protect the health and well-being of the animals.

To be corrected by July 1, 2017.

This inspection and exit interview were conducted with the owner.
