2.126(b) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:45AM on 13-MAR-17. The inspector knocked on the door of the facility and made contact with a family member. The family member indicated that the licensee was away from the facility and would not be available for an inspection that day. A business card was left at the facility with the request that the licensee call to re-establish hours of availability.

Lack of availability for inspection inhibits the regulatory process. The licensee must ensure a knowledgeable, responsible adult is available during regular hours to accompany inspection.

Correct from this time forward
