#### Miscellaneous.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:35am-12:05pm eastern time on 10/21/2024. The inspector attempted to contact the registrant by knocking at the door of the facility, honking the car horn, and calling the phone numbers in the account. When called no nobody answered and voicemails were left.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
