### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at approximately 9:15AM on 22-SEPT-2023.

I went to the address provided in the customer's application for registration and was told the registrant did not live at this address. I then tried to call the number provided by the customer in his application for registration. The person answering the phone confirmed I dialed the number provided in the customer's application but stated that they did not know this individual.
