2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 3:56pm on 07-Oct-19.

The store was locked and no one answered my knocking at the front door. The store appeared to be vacated. When I attempted to call the licensee, the call goes instantly to a recording that states "I'm sorry, the person you are trying to reach has a voicemail box that has not been set up yet." It disconnects after the message plays.
