### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:09 PM on 08-AUG-2024. The inspector attempted to contact the licensee/registrant by phone and left a voice message. A facility representative was soon able to return the inspectors' call, whereby the report and availability were discussed. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
