Type: ATTEMPTED INSPECTION

Date: 13-DEC-2016

### 2.126(b)

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:30 on 13-Dec-16. The inspector left voicemails on the office and cell phone numbers listed for the laboratory coordinator. A medical student accompanied the inspector to the laboratory door, which was unanswered after repeated knocks. The inspector waited 30 minutes before leaving the premises. The laboratory coordinator returned contact at 2:40pm, indicating she had been working off-site.

The registrant must ensure a knowledgeable facility representative is available for inspection during regular business hours, M-F 7am-7pm. Optimal days and times for inspection and/or additional contact methods can be established with the home APHIS inspector. Correct from this time forward.
