A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:00am-10:17am on 8/14/2025. The inspector attempted to contact the licensee/registrant by knocking, calling out loudly, leaving a voice message and sent a text message. Licensee returned call to indicated unavailability as she was at work.. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
