A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:45 AM on 3/8/23.

The inspector arrived at 11:45 AM on 3/8/23 to conduct an inspection. The inspector tried to reach the Licensee by phone (left voice message and sent a text) and then waited at the property. The inspector spoke with the Licensee and learned that no one was available to accompany the inspector. An AWA compliance inspection could not be conducted.

Unannounced inspections are used to evaluate compliance with the AWA Regulations and Standards. This is the FIRST attempted inspection of the Licensee.
