Hernando Puentes
3322 Spencer Street
Greenville, TX 75401

Customer ID: **15273**
Certificate: **74-C-0775**
Site: 001
HERNANDO PUENTES

Type: ROUTINE INSPECTION
Date: 13-JUL-2015

3.4

OUTDOOR HOUSING FACILITIES.

(c) Outdoor housing facilities.

***** At time of inspection the floors of the housing units in the dog building were constructed of wood which was not impervious to moisture and needs to be sealed, painted, covered or replaced with a material which makes this surface which the dogs come into contact with impervious to moisture.

This will enable proper cleaning and sanitizing as well as help to prevent areas for disease causing bacteria to get started which can affect the health and well-being of the animals in this enclosure.

This affects 2 animals.

TO BE CORRECTED BY: 8/24/15

3.6

PRIMARY ENCLOSURES.

(a)(2)(x) Primary enclosures.

***** At time of inspection the wooden floor of the building containing the housing for the dogs had a portion of the floor which had become dry rotted and a hole had developed which could enable the animals to have a paw and leg pass through which could cause injury to the animal.

Inspection Report

The floor of this building needs to be repaired or replaced to prevent potential injury to the animals and to make this floor structurally sound.

This affects two animals.

TO BE CORRECTED BY: 8/24/15

3.11

CLEANING, SANITIZATION, HOUSEKEEPING, AND PEST CONTROL.

(c) Cleaning, sanitization, housekeeping and pest control.

***** At time of inspection the building housing the dogs and cats had a large assortment of materials which did not have anything to do with the daily husbandry needs of the animals in this building both inside and around the exterior of the building. This prevents the needed cleaning of this building and surrounding area and provides numerous areas for rodents and vermin and other pests to live and breed which can affect the health and well-being of the animals in this building;

All items that are not essential with the daily husbandry and needs of these animals should be removed and stored elsewhere.

This affects 5 animals.

TO BE CORRECTED BY: 7/27/15

This inspection and exit interview conducted by Donovan L. Fox ACI and the designated person for inspection.

This is an electronic version of the word document inspection report dated 7/13/15.

END OF REPORT.
