#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The licensee does not have a program of veterinary care on hand that includes non-human primates, Arctic fox and wallabys. The licensee has found a veterinarian to see her wild and exotic animals but there is no written program of veterinary care with recommendations for routine care of the animals on hand.

Each exhibitor shall employ and attending veterinarian under formal arrangements. In case of a part-time attending veterinarian, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the premises of the exhibitor.

A written program of veterinary care must be on the premises so that the inspector can review it and ensure that the guidance from the veterinarian is being followed by the licensee for the health of the animals. The program of veterinary care must have written guidance on all species maintained by the licensee.
