Date: 25-AUG-2025

2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 4:15pm on 8/25/2025.

The inspector spoke to Licensee's daughter at the facility who said her parents would not be home until late that night. The inspector then spoke to Mr. Hobson via telephone who said due to family commitments, his availability is varied this Fall. He will send his availability for the next couple of months and provide updates as needed.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
