FACILITIES, OUTDOOR.

A 6 foot perimeter fence has now been constructed however due to bad weather the primary enclosure fences have not been completed. The camels , bison and water buffalo are loose within the perimeter fence which is next to a major highway. The animals must be housed with in an enclosure that is at least 3 feet from the perimeter fence to protect the animals from injury or escape.

Note : Materials for fence completion are present on site this date.

Note : No covered activity to be conducted until the new site is in compliance.

The inspection and exit briefing was conducted by Dr. Pannill- USDA with the licensee.
