### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:13 AM on July 3, 2024. The inspector attempted to contact the licensee/registrant by phone. Upon arrival to the facility, the inspector attempted to contact the licensee via the phone number on file, leaving a voicemail message. The licensee returned the inspector's call, stating no one was available for an inspection today.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
