Site: 001

STAPP CIRCLE S RANCH INC

Type: ROUTINE INSPECTION

Date: 25-SEP-2015

2.75(b)(1) REPEAT

RECORDS: DEALERS AND EXHIBITORS.

No records of the animals on hand were available during this inspection.

Every dealer other than operators of auction sales and brokers to whom animals are consigned, and exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning animals other than dogs and cats, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control.

It is important to kept records of the regulated animals to be sure of the animals final destination and to be able to trace them back in case of illness outbreaks, or to control the movement and legal ownership of the dangerous animals

Correct by: Remains uncorrected.

3.129(a) DIRECT REPEAT

FEEDING.

No containers for the food were observed in the 2 lions, enclosure. The floor appear with a heavy accumulation of feces and food waste, the food is given to this animals directly in the floor for which reason this food is contaminated with feces that are there for days, also an awful smell is coming from this enclosures.

The food shall be wholesome palatable, and free from contamination to prevent parasites and other illnesses to affect the animals, also to be sure the animals eat a sufficient quantity of the food.

This situation must be corrected in order to minimize contamination of the food received by the animals.
