### 2.38(b)

#### Miscellaneous.

The inspector arrived at the facilities offices at 10:40 am but there was no response and a phone message was left. The inspector was able to talk to a facility representative at site 001 but they were unable to accompany an inspection at that time. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
