HEALTH CERTIFICATION AND IDENTIFICATION.

** The health certificate did not have the date of issuance filled out. The veterinarian verified on the phone that the animal was inspected and the health certificate was issued on 12-22-14. The animal was transported in commerce on 01-13-15 and exhibited with public contact on 01-14-15. The inspection of the animal and issuance of the health certificate for the non-human primate shall not be more than 10 days prior to the transportation of the animal to ensure that the animal is free of any infectious disease or physical abnormality which would endanger the animal or other animals or the public health. The non-human primate must have a valid health certificate that was issued by a veterinarian no more than 10 days prior to transporting the animal in commerce. To be corrected by: 01-17-15.
