Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:50am-12:20pm on 11/14/24. The inspector attempted to contact the licensee/registrant by calling, texting, knocking on the door, and yelling out. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
