### **Institutional Animal Care and Use Committee (IACUC).**

The most recent program review and facility inspection occurred over 9 months ago on June 28, 2023. The regulations require the IACUC to review the research facility's program for the humane care and use of animals and to inspect the animal facility at least once every six months.

These evaluations are necessary to ensure appropriate oversight of the care and use of animals by the IACUC. The research facility must ensure these evaluations are conducted at least once every 6 months.

This inspection and exit interview were conducted with the facility representative.
