Type: ATTEMPTED INSPECTION

Date: 04-APR-2017

2.126(b) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1237 on 04-Apr-17.

Inspector arrival to facility at 1237. No answer at door and no person visible on premise. Contacted phone #s listed in ACIS for owner contact. Spoke with licensee (PA). PA stated that there would not be anyone available on premise until after 5 pm and that they (the licensee) had planned to cancel their license and would not be resuming their business. I recommended the licensee contact the Ft Collins Office prior to having a 3rd attempted inspection if they were no longer continuing in business. Left premises at 1310 following leaving my card and optimal hours information sheet in storm door (note: no visible or auditory signs of an active kennel on premise at time of attempted inspection)
