### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:34pm on 06/25/2025. The inspector attempted to contact the licensee by calling the number on file, leaving a voice message, knocking on the door, waiting 30 minutes, and calling again. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
