Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:54 AM on May 16th, 2024. The inspector attempted to contact the licensee and facility representative via the phone numbers on file, leaving a voicemail message for the facility representative. The licensee's voicemail mailbox was full. The inspector waited 30 minutes before leaving the facility.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
