2.126(b)

Access and inspection of records and property; submission of itineraries.

An authorized adult was not available to accompany APHIS Officials during the inspection process at 11:15 am on 4/22/24. The inspector attempted to contact the licensee by knocking on the door and calling his cell phone. His wife answered the door and stated that he was not home and she was unable to conduct the inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
