### 2.40(a)(1)

#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The facility provided documentation indicating that since October 2015 the previous Attending Veterinarian (AV) was no longer providing services, and that a new AV has been identified to provide adequate veterinary care for their regulated animals. The facility shall have an attending veterinarian who shall provide adequate veterinary care to its animals in compliance with the Animal Welfare Act and its appropriate sections. The facility shall employ the new AV under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a new written program of veterinary care for all animal species and regularly scheduled visits to the premises at the facility.

### 2.75(b)(2)

#### RECORDS: DEALERS AND EXHIBITORS.

Records for animals at hand containing required information on acquisition, disposition, or transportation were not available for review at the time of the inspection. There were no required records available on the recent acquisition of three juvenile male pigs and the transfer/donation of an adult female pig. The licensee shall make, keep, and maintain records or forms which fully and correctly disclose information on animals purchased or otherwise acquired, owned, held, or leased. Also, records are required when animals are transported, sold, euthanized, or otherwise disposed. The records shall include any offspring born of any animal at the facility's premises. The Record of Animals on Hand (APHIS Form 7019) and Record of Acquisition, Disposition, or Transport of Animals (APHIS Form 7020) are forms which may be used by the facility to keep and maintain the information required by federal regulations. The licensee needs to obtain/document the required information on the recently acquired and transported animals as soon as possible.
