A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:50 pm on May 22, 2025. The inspector called the licensee upon arrival at the facility. The licensee said they were out of town and could not return to complete the inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
