

Inspection Report

Washington State University
Office Of The Campus Veterinarian
P O Box 641165
Pullman, WA 99164

Customer ID: **1026**
Certificate: **91-R-0002**
Site: 002
Vancouver Campus

Type: ROUTINE INSPECTION
Date: 12-SEP-2019

3.129(a)

FEEDING.

Three plastic containers in the bat food refrigerator are not labeled with the current contents. Foods stored in containers other than the original, and not properly labeled, cannot be readily identified as to type and freshness. Food for animals must be wholesome and free from contamination. This was corrected on the day of inspection by labeling the containers.

This inspection and exit interview were conducted with a facility representative.

Prepared By: HALLBERG GWYNN, D V M USDA, APHIS, Animal Care
