The applicant must correctly document records of acquisition for all regulated animals, including animals born on the premises, and assure that all records are kept as required. To be corrected by next re-license inspection.

This is a 1st relicense Inspection for a Class "A" license. The inspection and exit briefing were conducted with the Applicant.

All items must be in compliance within 2 more inspections or by October 15, 2022, or the Applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next relicense Inspection."
