Requirements and procedures.

On 8 April 2025, it was noted during unannounced inspection that this carrier was conducting regulated activity without an active registration. According to an airway bill dated 3/31/25 one live dog was transported to New Zealand. The USDA registration for this airline has been cancelled since 5/25/2019. Each carrier and intermediate handler not required to be licensed under section 3 of the Act and the regulations of this subchapter, shall register with the Secretary by completing and filing a properly executed form.

This inspection and exit interview were conducted with a facility representative.
