2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:00 on 15-MAR-17. There were no knowledgeable facility representatives available according to a family member. Optimal hours for inspection were discussed.

Lack of availability renders the regulatory process impossible. Licensees must ensure that a knowledgeable facility representative is available for inspection during regular business hours. Correct from this time forward.
