### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:10am on October 8, 2024. The inspector attempted to contact the licensee by knocking on the door and the inspector was informed the licensee was not home and was not expected to be for several hours. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
